Christmas*

Rockhampton Christmas Party
Brisbane Christmas Party

Message from the Committee

Well, Christmas is only 12 days away and to celebrate the season, the EFCCQ XK visits the 12 pages of Christmas.

In reflection, it has been a very busy 6 months for the new committee, and they will continue their work to improve the Early Falcon Car Club of Queensland for their members, who own one of the most iconic brands in the world.

After all the late nights and thousands of emails and messages, it was great to see the committee kick back and relax with other club members at the annual Christmas party on Saturday night, 9/12/23.

This event was a week after the Rockhampton committee and club members got together to celebrate at their Christmas party, 2/12/23.

The following pages tell the stories of these parties and some of the good times that were had.

All that remains is to wish each and every one of you and your families and friends, a very Merry Christmas.

Please be safe, take care and stay healthy and we will see you in the New Year to drive our marvelous machines.

On behalf of the EFCCQ Committee,

Dale.

P.S. Many thanks to Kerrie, David and Jack for sending their photos of the night to share with everyone in this edition.

It is not possible to put any publication together without this type of assistance, so once again, thank you.

Dale

You know you're getting old when Santa looks younger than you.

It was a Rocky Christmas Party

The Rockhampton members of the Early Falcon Car Club know how to celebrate a quintessential Australian Christmas, with their party venue being Poppies Beachside Restaurant on top of the Yeppoon Surf Lifesaving Club. A great venue with great food to share with great friends, a simple recipe for a great time.

A balanced Christmas diet is a large piece of pavlova in each hand.

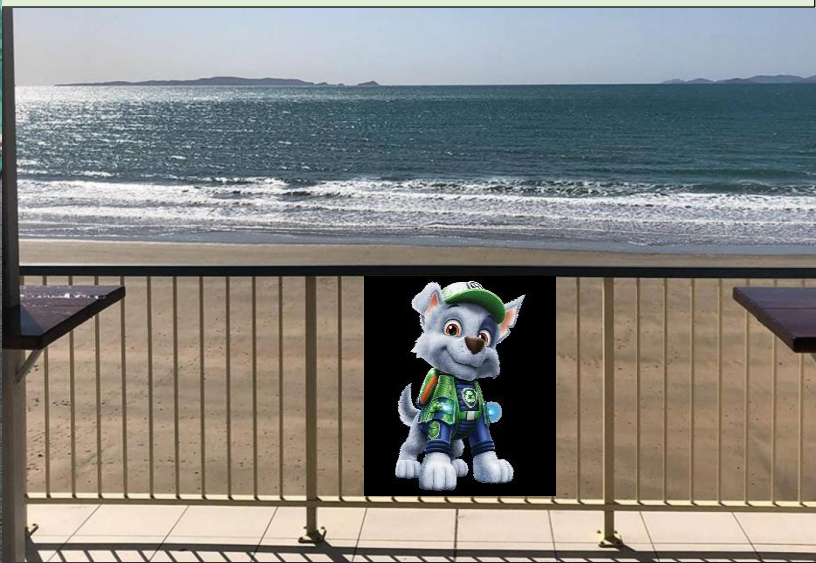

A Rocky Christmas

Along with all the Rockhampton members enjoying their beautiful Aussie Christmas, there are seven Rocky photo bombers that infiltrated the celebration.

Can you find and name all seven?

Answers on the back page.

Many thanks to Merv and Annette for the photos.

Lay under the tree and remind the family, that you are the gift.

Brisbane Motor Museum

Christmas Party

The Brisbane members of the Early Falcon Car Club of Queensland decided to celebrate Christmas surrounded by cars at the Brisbane Motor Museum.

There were two exhibits for viewing, rare German Vehicles and Brisbane Muscle Cars.

The displays were first class and the vehicles were top shelf.

Evolution of man, do believe, don't believe & now you are Santa Clause.

Happy as a Car Club at a Car Museum

Members enjoyed a fantastic night of cars, conversation and food. Many thanks to all that helped make our event a great success. These include Dave Anderson who organised the function, Rosie, for ensuring all payments are made through a banking system that is at times, very trying, Al and Graeme who purchased the myriad of raffle prizes (right), Jack who captains the club and chose the party venue and Jon, who keeps the club's lines of communication running 24/7, literally.

I hope you love the present you told me to buy for you.

Christmas 2023

Time to get into the Christmas spirit -Scotch, Bourbon or Rum?

Christmas 2023

Santa saw your Facebook, you're getting a dictionary this year.

Christmas 2023

Christmas is a box of tree ornaments that are now part of the family.

Christmas 2023

It's beginning to cost a lot like Christmas.

2023 EFCCQ Christmas Party

Bec wins Best Early Falcon

The inaugural F.O.R.D. (Falcon Of Rare Distinction) award was won by Bec McCutcheon for her awesome 351 XD at the Christmas party on Saturday night.

Congratulations on a well-deserved win, Bec.

The trophy was kindly donated by Gumnut Timber Products.

Not one family argument all day – it's a Christmas miracle.

F.O.R.D. Awards 2024

Next year the Best Early Falcon will be judged over the course of the year. At every car run, members will vote 4,3,2 or 1 on all the early Falcons vehicles that attend. The 4 vote is for your own car, a reward for bringing it on the EFCCQ car run. The votes will be collated and the winner announced at the Christmas party next year. Obviously, the more runs you attend the more likely you are to receive votes. This is not an attendance award, it is a car competition and as such, committee members are allowed to participate.

Apologies to those that did not have their photos taken on the night.
